Experience

Target IIM, Bagalkot | Founder

January 2020 - December 2022

- Founded and bootstrapped 'TargetIIM', an EdTech startup, to revolutionize national-level MBA exam preparation.
- Instructed a cohort of 220+ students across all subjects, propelling numerous individuals to surpass the 90th percentile and gain admission to prestigious MBA institutions such as IIM.

Accenture, Bengaluru | Associate Software Engineer

July 2017 - March 2019

- Automated Incident Management: Automated the 'Incident Management' process, resulting in the prevention of SLA breaches and the avoidance of costly fines for the company.
- Implemented Alert System: Successfully implemented an alert system as a backup mechanism to notify users of ongoing tasks for the majority of the automated scripts.
- Financial Records Processing: Assisted clients and team members in processing financial records using IBM Cognos TM1, ensuring accurate and efficient financial data management.
